Subject: Thursday: Show your support in Grafton

Organizing for America

Friend --

I wanted to send you an **urgent invitation** to an important Town Hall with Sen. Jeanne Shaheen on Thursday morning. She'll be talking to constituents and gathering feedback -- this is an ideal opportunity to make sure your support of health insurance reform is seen and heard at exactly the right time to make a huge difference.

Our congressional representatives are back home this month, and they're facing more and more pressure from special interests on health insurance reform. It's critical that we get out there and show them where we stand.

I hope you can join us.

What: Health Care Town Hall with
Sen. Jeanne Shaheen
Where: Grafton Town Hall
E Grafton Rd.
Grafton, NH 03240
When: Thursday, August 6th
10:00 a.m. - 12:00 p.m.
RSVP

Our representatives are under attack by Washington insiders, insurance companies, and well-financed special interests who don't go a day without spreading lies and stirring up fear. We need to show that we're sick and tired of it, and that we're ready for real change, this year.

Please come to the Town Hall, and make sure that the most powerful voices in this debate are those calling for real reform, not angrily clamoring for the status quo.

Thanks,
Tim
